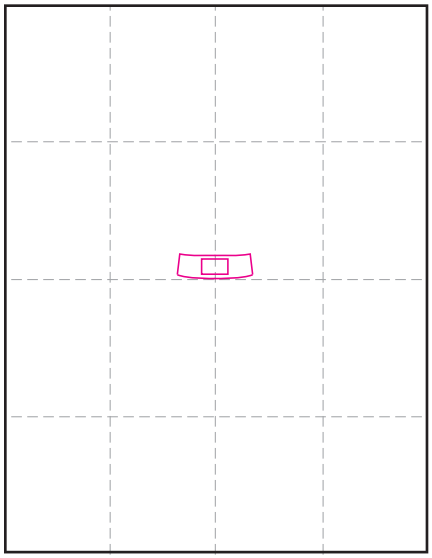
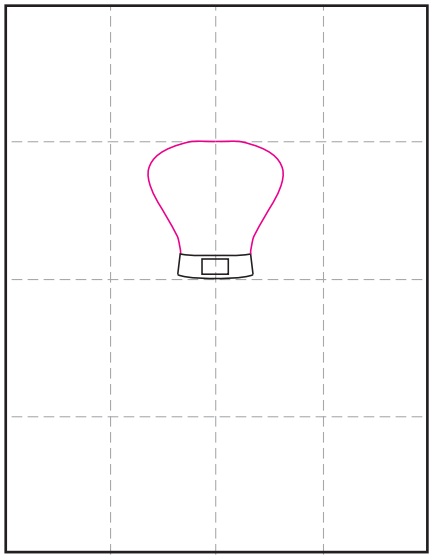
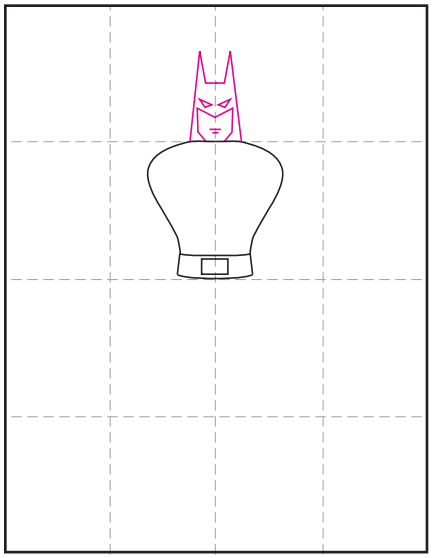
How to Draw Batman



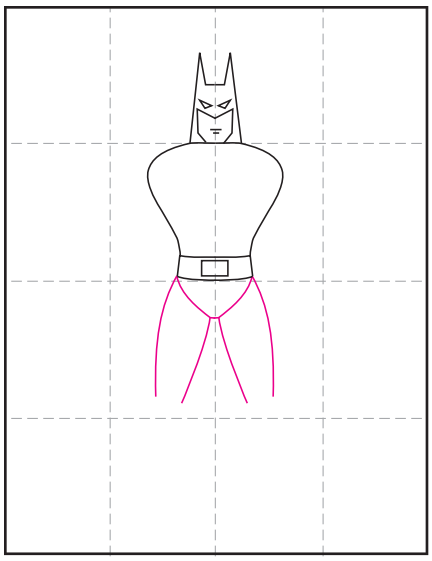
1. Print or fold paper. Draw the belt.



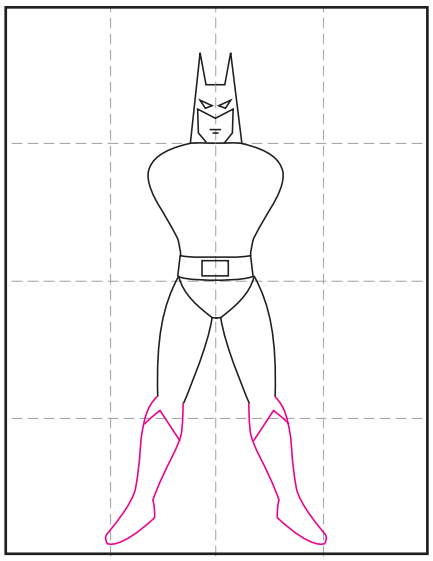
2. Add the torso shape above.



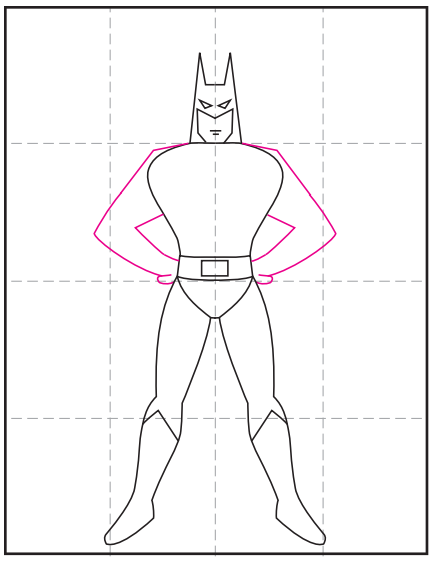
3. Draw the head.



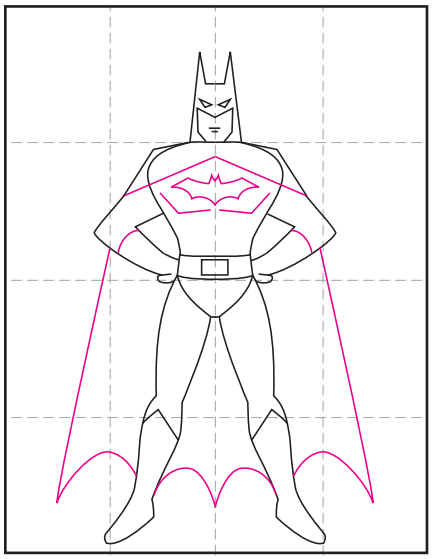
4. Start the curve of the top legs.



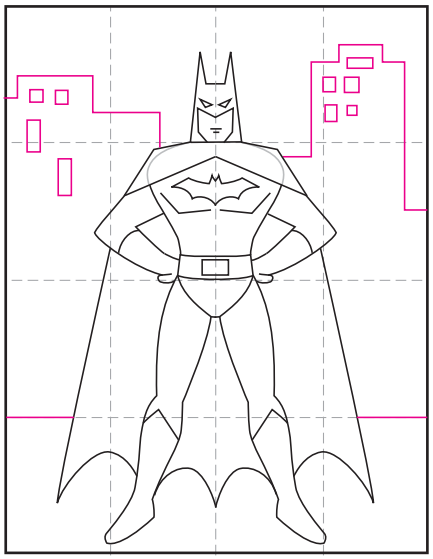
5. Draw the bottom legs and boots.



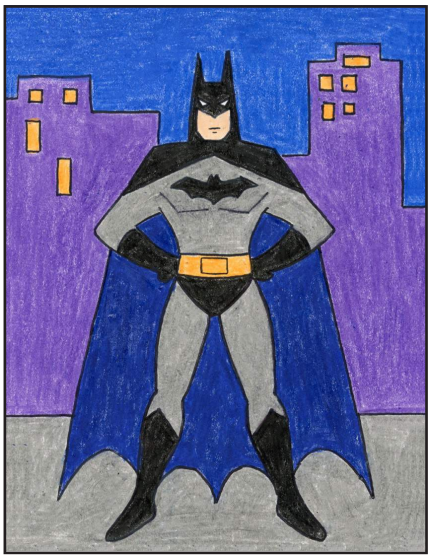
6. Add the arms with folded hands.



7. Finish with details shown, and robe.



8. Draw a simple city skyline.



9. Trace with a marker and color.
